

## Amazing Alma awards

### Our Year 5 Host

Yesterday, Year five hosted a wonderful event at Alma Park Primary School in the hall to celebrate the success of the school and announced winners from Key Stage 2 and Key Stage 1.

Each Key stage 2 year group walked down the stage, which had a rilly red carpet, and timidly waved to their parents, who were delighted to see their children. Once everyone had sat down the ceremony began. A few people presented the Key Stage 2 alma awards and

some announced the lucky winners name, which was sealed in a jet-black envelope. followed by the reading award was the presentation award. the children presented the 2nd award but a few parents were disappointed that their child hadn't won but there was still hope for the class award. When the class award was over the main hosts came on stage and asked, "would you like to see our dance routine?"

Once the amazing dance was over

Key stage 1 slowly but gaily danced down the red carpet once everyone was quiet the Key stage 1 ceremony began. The reading award was presented then only a few children recived an award. After that was delt with they had a presentation award presented by Aleasha and Fatima. once they had finished the class began. While the class award was proceeding the nursery children boogied.
