

# AMAZING ALMA ACHIEVEMENTS

A picture of all the Year 5 presenters

Yesterday, the amazing Alma Park children, who presented the Alma Awards, celebrated children's success in the hall at Alma Park Primary School.

The brilliant Alma Awards took place yesterday at Alma Park Primary School. First the Year 5 children presented the awards to KS2 (Key Stage 2). There were three different types of awards: A reading award as reading is so important; a presentation award as Alma Park love to be neat, and a class award which was either for times tables or spellings.

The KS2 awards

were followed by a spectacular dance which was choreographed by Mrs. Chase. "I thought the dance was fabulous," exclaimed Javod's mum.

Suddenly all the dancers left the stage and the presenters came back on. They spoke clearly and excitedly announced the KS2 (Key Stage 2) winners. Anxious children went and collected their awards nervously from the stage. "I thought it was cute and funny when a reception child went onto the stage, wandarby when his name wasit even called out," laughed

a giggling parent:

Mr. Parjit reported that he was so proud of everyone and he wanted to let everyone know that they are all winners. "It was spectacular everyone loved taking part," said Kirssay, one of the Year 5 presenters.

In the future Year 5 hope that the Alma Awards will be bigger and better than ever and there will be different amazing awards. Year 5 think next years Alma Awards winner, bigger and better.
